- b. While some of the positions may be filled during the summer, Chair Medeiros encouraged the Commissioners to contact their supervisors to let them know about the vacancies. We also discussed sharing the Commission on the Different Platforms.
- c. Chair Madeiros introduced a potential Retreat Structure that he obtained from one that was used by the Commission on the Status of Women. It was discussed and agreed that the Retreat would be held on two different Commissioner Meetings – September 28th and October 26th. The first half of the meeting will be used to discuss the general meeting and the next 1 ½ hours will be used for the retreat.
- d. Chair Mederiros shared that it was essential that we do Retreat Pre-work to make our time together effective. He would design and share a survey with potential questions that would allow the Commission to form our Goals and Objectives for the year.
