

BEWARE EBT SCAM

BEWARE! THERE IS AN EBT SCAM TO STEAL YOUR BENEFITS!

If you've received a text or phone call asking for your personal information, contact the customer service telephone number on the back of your EBT card (877.328.9677), or contact Alameda County right away.

Alameda County and the state would never text or call you requesting your personal information such as your EBT card number and your personal identification number (PIN).

Never give out your personal information to anyone, or you could have your benefits stolen and they cannot be replaced. Keep your EBT card number and PIN a secret. Never give out your social security number, EBT card number, or PIN to anyone.

Thank you.
