

Bulletin Title: Storm Season Safety

Subtitle: Know how to stay safe!

As cooler months bring new, interrelated challenges to our county, like floods, wind, power outages, mudslides, and cold temperatures, Alameda County is taking action to protect our communities.

As we prepare for this climate-driven extreme weather, there are a few steps **YOU** can take today to keep yourself, your loved ones and community safe:

- **Stay Safe** – In heavy storms.
- **Prepare** – For power outages.
- **Get Set** – For high winds.
- **Keep Warm** – In the cold.
- **Be Ready** – For floods.
- **Watch Out** – For mudslides.
